

- It was a big workshop of the joint with external students.
- This workshop was mentally and physically hard for me. Because the claim was a strong Tel Aviv's students teamed up with modest Asian us, the work pace was not engaged, I felt a strong stress. I felt the importance of communication. And difficulty also.
- Whether or not to close negotiations and have them provide the waste to, the processing of after using? It was interesting in a practical content.

SKILLS 01

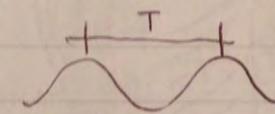

5th-9th October, 2015
Domesticating
non-building
structures
at Hef Bridge
in Rotterdam
with Observatorium
and Jan Koerbes

- We learned the relationship of the sound in the building.
- The workshop was the technical contents and experimental.
- We tested it how long a sponge for soundproofing really absorbs a sound.

10th Novmber, 2015
Acoustic
workshop
 with Maarten Luykx
 from Peutz

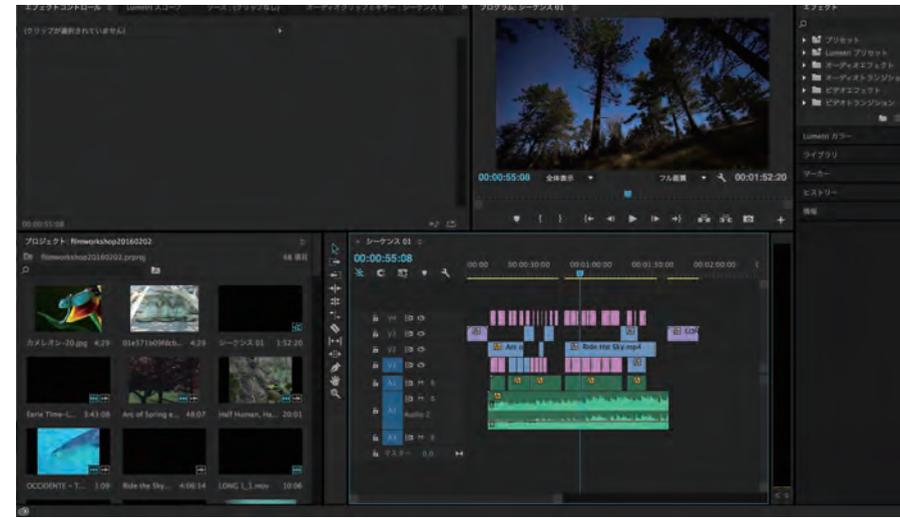

シタ-の友響いれの7002222
 $c = 340 \text{ m/s}$ (音のスピード)
 $f = \frac{1}{T}$  $f = \text{Hz}$
 20 - 20000 Hz (20kHz)
 125 Hz - 2 kHz
 belangrijk
 Low ← High

$f = \frac{c}{\lambda}$ $f = \text{Hz}$
 $c = \text{m/s}$ (速度)
 $\lambda = \text{m}$ (波長)
 ① $c_{\text{lucht}} = 340 \text{ m/s}$
 ② $c_{\text{water}} = 1480 \text{ m/s}$
 ③ $c_{\text{ijs}} = 3200 \text{ m/s}$

$\text{Pa} = 10^2 \text{ Pa}$ (単位)
 $50 \text{ dB} + 50 \text{ dB} = 53 \text{ dB}$
 $50 \text{ dB} + 60 \text{ dB} = 60.4 \text{ dB}$) 単純計算ではない
 $80 \text{ dB} = \dots$
 $100 \text{ dB} = \dots$
 $\int \dots$
 大音量の音は、人間の耳にダメージを与える。
 長時間の暴露は、聴覚障害の原因となる。
 20m - 7-702 W. Wido
 16.2.12

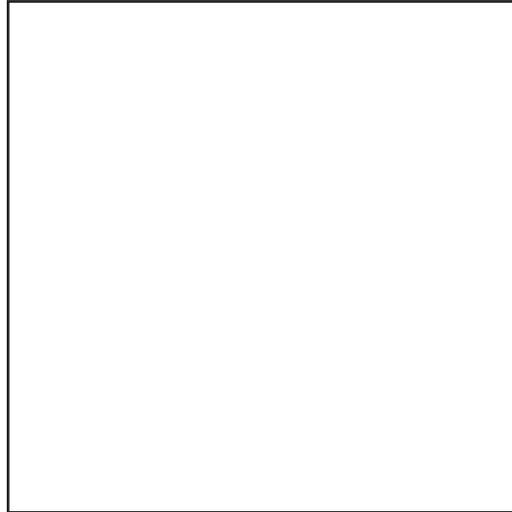

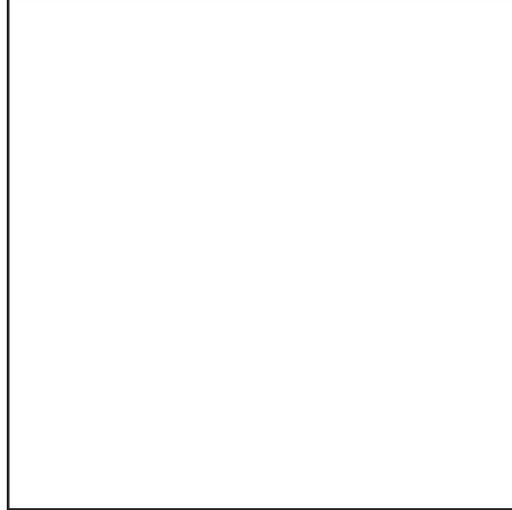

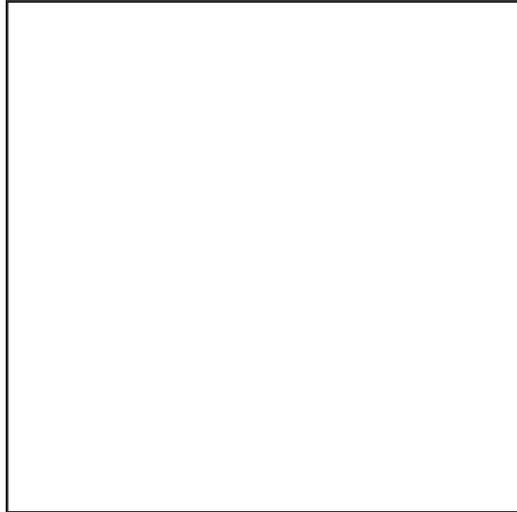

SKILLS 02

- We learned how to make Film using "Premiere Pro"
- We made a short film as theme was "What is Interior architecture for us "
- In the beginning of the worksyop, I choose some movie materials on internet by myself, but these materials have been denied by Mauricio. Perhaps, representation is a direct (Maybe it seems to the film of TED presentation) and he did not like it. After all, it had been healed most of the film.
- Finally my film was good for me.

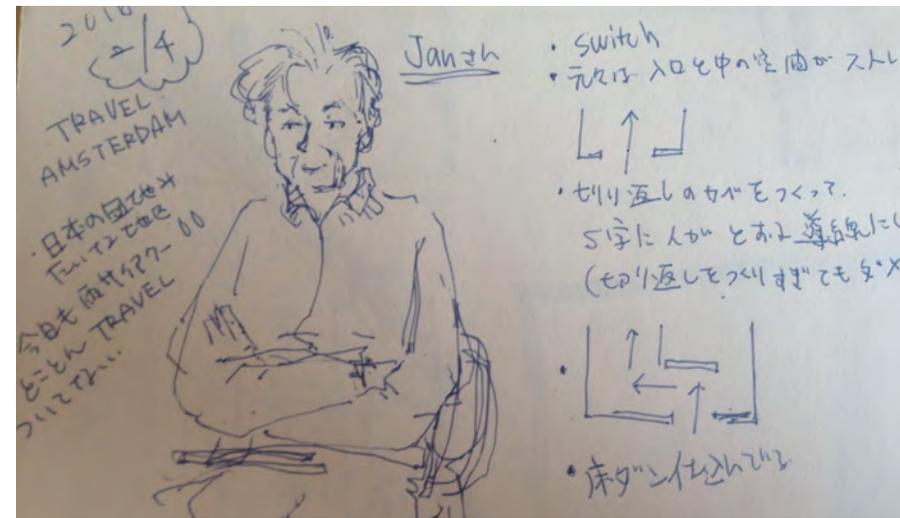

SKILLS 05

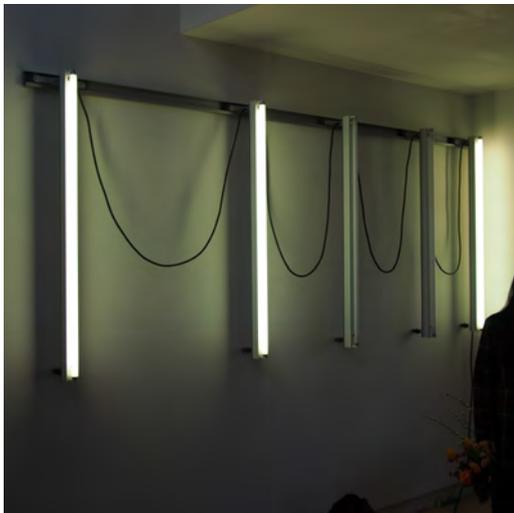

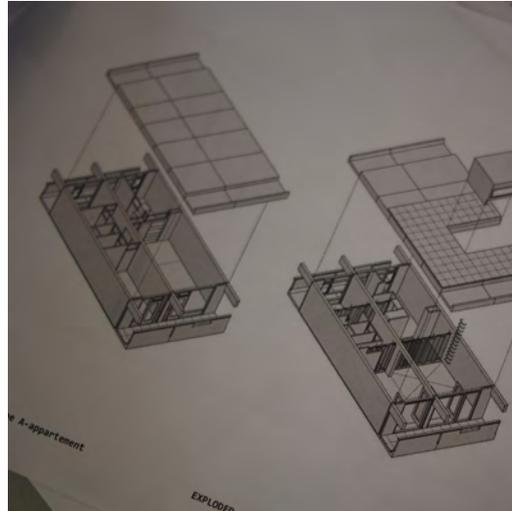

1st-3rd February, 2016
FILM Narratives
workshop
with Mauricio Freyre

- We observed the room where a renovation did one of an old housing complex.
- The room was installed unique partition walls and lighting.
- I did not understand concept...

4th February, 2016
The role of the concept in spatial design workshop
 with Jan van Grunsven

SKILLS
90S06

- In a workshop on field work was conducted jointly with students of Art University in Brussels, Belgium.
- In particular of the third day's workshop was interesting for me, we have seen in the previous two days, there was training to be expressed in improvisation to rely on only remember that I felt. It was too difficult for me, I could not draw well. But I need to continue like this training for my work.

SKILLS 08

10-12th February, 2016
Research by
Entering
workshop
with Leeke Reinders
